Droogte hulpverlening aan landbouers en plaaswerkers in droogtegeteisterde provinsies

DROUGHT AID TO FARMERS AND FARM WORKERS IN DROUGHT-STRICKEN PROVINCES

28 September 2017

Droogte hulpverlening aan landbouers en plaaswerkers in droogtegeteisterde provinsies

Die voortgesette droogte in provinsies soos die Noord-Kaap, Wes-Kaap en Oos-Kaap hou 'n ernstige bedreiging in vir voedselproduksie en neem daagliks ernstige afmetings aan.

Agri SA doen daarom 'n dringende beroep op die publiek en privaatsektor om weereens tot die Agri SA Droogterampfonds by te dra.

Ons opregte waardering aan almal wat tot die fonds verlede jaar bygedra het. Sowat R17 miljoen is ingesamel en derduisende landbouers en hul werkers het hulp in die vorm van voer vir diere en ander vorme van humanitêre hulp ontvang.

Drought aid to farmers and farm workers in drought-stricken provinces

The continuing drought in provinces such as the Northern Cape, the Western Cape and the Eastern Cape poses a serious threat to food production and is worsening by the day.

Agri SA therefore urges the public and private sector to once again contribute to the Agri SA Drought Fund.

We sincerely appreciate everyone's contribution to the fund last year. About R17 million had been collected and thousands of farmers and their workers have received aid in the form of animal feed and other forms of humanitarian aid.
